NewsChannel5.com is seeking a talented INTERNET WEB PRODUCER to join one of the top online local news teams in the nation, located in Nashville, TN. Winner of the Emmy for News Excellence 6 out of the past 7 years, Regional Interactive Emmy in 2011, and the Tennessee AP award for Best Web Site 3 of the last 5 years, WTVF values journalistic integrity and online storytelling. The ideal candidate is competitive, an excellent verbal and written communicator, and takes pride in being the best.

Essential Functions

- Write, update and edit original and wire copy for NewsChannel5.com from a variety of sources.
- Aggressively produce breaking news content online.
- Write headlines, pick graphics and produce stories that fit into our daily news coverage and programming needs.
- Produce content that conforms to NewsChannel5.com style and standards.
- Work closely with news desk, reporters, producers and photographers to produce rich, compelling and complete stories.
- Deliver quality work on deadline, including a significant number of stories posted daily to keep content fresh.
- Select art – including photos and video – that enhances online storytelling.
- Perform other duties as needed.

Knowledge, Skills and Abilities Required

- Bachelor's degree or comparable experience.
- Ability to work independently in a fast-paced environment.
- Understanding of current issues and events, both local and national.
- Excellent news judgment and accuracy in news gathering.
- Accomplished writing and editing skills required. Proficient command of proper grammar and spelling.
- Good organizational, interpersonal and communication skills.
- Communicate well over the phone.
- Flexibility to work as needed within station hours of operation, 24 hours a day, 7 days a week, including holidays.
- Ability to actively participate and contribute in a team based environment.
- Possess a valid driver's license.
- Ability to quickly and effectively gather information by telephone and online.

Knowledge, Skills and Abilities Preferred

- One to three years of television newsroom experience preferred.
- Experience as an online producer preferred.

_ Experience with web authoring/content management tools, imaging programs such as Photoshop and experience with video or other multimedia preferred.

_ Basic knowledge of Internet technologies including HTML, javascript, Flash, and CSS preferred.

_ Advanced computer skills preferred.

Note: This job analysis describes the nature of this position, but is not an exhaustive list of duties. Additional duties may be assigned as needed.

JOB POSTING

NEWS PHOTOGRAPHER

Job # 080111

This is to advise you that NewsChannel 5 Network is looking for a NEWS PHOTOGRAPHER. Winner of the Emmy for News Excellence 6 out of the past 7 years and multiple NPPA awards, WTVF values journalistic integrity and visual storytelling. Our remodeled newsroom leverages the latest in file based workflows, including new Sony PMW-350s and a new end-to-end Avid Newscutter NLE system. The ideal candidate is competitive, deadline driven, organized, and considered among the best at visual storytelling.

Essential Functions:

- Gather images and facts to create news stories, using sound journalistic judgment.
- Create news stories with creative framing, editing, use of sound, and other techniques that make television stories effective.
- Effectively tell a wide variety of stories with pictures, be it a daily news story, a series, or a documentary.
- Collaborate with reporters to create strong, visually compelling news stories.
- Produce a quality news product under tight deadlines.
- Manage time wisely.
- Assist news management team with planning and placement of crews and resources.
- Shoot active live shots.
- Train for multi-tasking functions, including but not limited to live truck operation and helicopter photography.
- Thrive in a team-based environment.
- Requires flexibility to work as needed within station hours of operations, 24 hours a day, 7 days a week, including holidays.
- Must maintain professional appearance and behavior.

Knowledge, Skills and Abilities Required:

- College Degree or a minimum 3 years experience as a television news photographer.
- Experienced in non-linear editing.
- Carry as much as 50 pounds including news camera, camera support equipment, and camera tripod (sometimes for extended distances and periods of time).
- Be able to stand for long periods of time, often with the news camera on the shoulder.
- Be able to walk and run over all types of terrain while carrying the camera on the shoulder.
- Drive news car with passenger (short and long distances).
- Drive and operate live trucks and work in close proximity to microwave transmitters.
- Communicate over two-way radio and/or cellular telephone.
- Potentially go for extended periods of time with little or no rest.
- Be able to cover news stories (local or out of town) with little or no advance notice at any time of the day or night.
- Withstand extreme weather elements (hot & cold temperatures; rain, snow, etc.)
- Possess a valid driver's license and a good driving record.

Knowledge, Skills and Abilities Preferred:

- Understand and practice NPPA philosophies.

Deadline for applications is August 17, 2011
